Segment 1, Alternative 5 will cost tens of millions of dollars more to construct than the original proposal or any of the other alternatives. Alternative 5 will destroy homeowner land, non-forest land, and even miles of previously untouched National Forest land near Santa Clarita. Any alternative other than the original SCE plan makes no sense!

D.56-1

*Please print. Your name, address, and comments become public information and may be released to interested parties if requested.

Please either deposit this sheet at the sign-in table before you leave today, or fold, stamp, and mail. Insert additional sheets if needed. Comments must be postmarked by September 18, 2006. Comments may also be faxed to the project hotline at (661) 215-5152 or emailed to antelope-pardee@aspenerg.com.

Response to Comment Set D.56: Blake Comeaux

D.56-1 Thank you for submitting your comment and concerns on Alternative 5. They will be shared with the decision-makers who are reviewing the Project and alternatives at the USDA Forest Service and the CPUC.
