John Boccia and Marian Kadota:

My husband and I feel very strongly about opposing the proposed new high tension transmission lines. We moved to Leona Valley 2 1/2 years ago not only to escape the city life, but because of the exceptional beauty of the area. Please do not destroy our peaceful, tranquil community by placing unsightly, (out of place) transmission lines in L.V.

D.75-1

Sincerely,
Bruce + Jeana Rogers
