

Appendix B

List of Preparers

Southern California Edison

Brian J. Bielfelt, Terrestrial Biologist, MS Wildlife Management and Science, Texas A&M University – Kingsville

Gary Busteed, Senior Advisor – Major Environmental Project Licensing, MS Biology, California State University at Northridge

Jason Carson, Project Manager, BA Land Use Planning, California State University at Fullerton

Jorge Chacon, Manager—Generation Interconnection Planning, MBA Management & Leadership, University of La Verne

Michele Chan, Project Manager

Lori Charpentier, Senior Advisor, MA Management, University of Redlands

Kevin Garrity, P.E., Project Engineer, PhD Electrical Engineering, University of Southern California

Warnetta Logan, Project Manager, BS Civil Engineering, Loyola Marymount University

Scott Richtmyer, Geologist, BS Geology, University of California Santa Barbara

Kirk Riehl, Construction Planning

Saeed Sadeghi, P.E., Senior Project Engineering, MS Engineering, California State University at Long Beach

Blanca Solares, Advisor – Business Operations Analyst, MBA Management & Leadership, University of La Verne

ARCADIS

Jason Adams, P.G., Staff Geologist, MS Geological Sciences, University of Colorado

Steve Beadle, P.G., P.E., Senior Geologist, PhD, Earth and Planetary Sciences, Johns Hopkins University

Mary Carroll, Senior Ecologist, MA Biological Sciences, University of California at Santa Barbara

Bryan Chen, Senior Environmental Engineer, MS Environmental Engineering, Johns Hopkins University, LEED Green Associate

Jim Codling, P.E., Associate Vice President, BS Electrical Engineering, Rose-Hulman Institute of Technology

Eric Cowan, Associate Vice President, BS Business Studies, Metropolitan State College of Denver

Adam Davis, Project Planner, BS Environmental Science, BS Political Science, University of Oregon

Majdi Elzayat, P.E., Transmission Project Manager – Power Delivery, Ph.D. Civil Engineering, University of Sheffield

Chris Garvin, P.E., Principal Engineer, MBA Colorado State University

Brian Glenn, Senior Archaeologist, MA Archaeology, University of California at Los Angeles

Rory Henneck, Management Consultant 3, BA Linguistics, Western Washington University

Lee Miles, AICP, Principal Environmental Scientist, LEED Green Associate, MA Geography, California State University East Bay

Conrad Mulligan, Principal Planner, MSc Marine Policy, London School of Economics and Political Science

Cynthia Nicely, Senior Ecologist, MS Ecology, San Francisco State University

Philip Nicolay, P.G., Principal Geologist, BA Geology, San Francisco State University

Lindsay Rindler, Staff Environmental Scientist, BA Ecology, Evolution, and Environmental Biology, Columbia University

Scott Turner, P.E., Principal Engineer, BS Electrical Engineering, Washington State University

Bob Wanex, P.E., Principal Engineer, BS Electrical Engineering, University of Florida

Environmental Vision

Charles Cornwall, APA, MS Landscape Architecture, University of California at Berkeley

Marsha Gale, ASLA, MS, City and Regional Planning, MS City & Regional Planning, MS Landscape Architecture, University of California at Berkeley

Mesa Associates, Inc.

William (Greg) Ford, P.E., BS Electrical Engineering, Tennessee Technological University
