

## **4.22 Growth-Inducing Impacts**

An analysis of growth-inducing impacts was conducted for the IC Project. This analysis addresses the ways in which the IC Project could foster economic or population growth; or the construction of additional housing, either directly or indirectly in the surrounding environment in accordance with California Environmental Quality Act Guidelines Section 15126.2(d). Section 5.3, Growth-Inducing Impacts, provides information regarding how construction of the IC Project would not result in any growth-inducing impacts.
