Subject: Fwd: Sunrise Powerlink-Modified 'D' Alternative Route

April 10, 2008

To Whom It May Concern:

Any further addition of power lines in the neighborhood of Deerhorn Valley would invite fire hazard, as well as monumental blight, into our community. We are struggling to recover from the depredations of one fire after another in recent years. Our property values, as well as the way of life we have sacrificed so much for, will be irretrievably lost if a tower is thrust into our midst.

Those responsible for selecting the site of the tower in question need only come into our area in person to comprehend the folly of placing it here.

Please do not further despoil our home!

Mr. & Mrs. Joseph C. Dillon  
19930 Deerhorn Valley Road  
P. O. Box 765  
Jamul, CA 91935
