

## Sunrise Powerlink Project Public Scoping Report, Part 2

# Erratum

1. The listing of comments at the beginning of Appendix D-2 omits the February 23, 2007 comment letter from the Moretti Family, Carristo Ranch. This letter is included in Appendix D-2 between the California State Parks Foundation letter and the Castle Eurasia Corp., Zen Media Corporation letter of the same date. (On this site, the letter appears at the end of the document linked as “Part 13” under Appendix D-2.)
2. The summary of the Moretti Family’s letter is in Appendix C-3 on page C.3-21 (instead of in Appendix C-2).
