RE: Antelope Pardee 500 kV Transmission Project Proposed by Southern California Edison
Application No. A.04-12-007

Dear Mr. Boccio and Ms. Kadota:

Our community is strongly opposed to Alternate 5 – Antelope Pardee Sierra Pelona Re-Route of the above referenced project. We do support Route 1 over Route 5. I am not an expert but it seems the most sensible.

Sincerely yours,

David L. Baral
