Subject  
Leona Valley Resident's opposition to Alternative 5

Honorable Julie Halligan,

We strongly oppose the CPUC and USDA's proposed Alternative 5 route of the Antelope-Pardee 500-kv Transmission Project. This route will adversely affect the quality of our life here in Leona Valley. The personal anxiety will be immeasurable. This matter needs extensive reexamination in reference to the impact on Leona Valley residents.

C.192-1

From,  
Robert and Teresa Izquierdo
