Proposed Antelope-Pardee 500-kV Transmission Project

Date: 9/13/06
Name*: David Zavala
Affiliation (if any)*: Friend of Agua Dulce Property Owner
Address*: 10322 Vera Ave.
City, State, Zip Code*: Arleta, CA 91331
Telephone Number*: 818-837-9807
Email*: I oppose Alternative 5 of the proposed Antelope-Pardee 500-kV transmission project. The project would ruin the views in the area and affect too many residents and visitors.
The original proposed location through the forest should be chosen because it will affect the least number of people.
High power lines are dangerous and should be kept away from private property.
