Email:\* \_\_\_\_\_

I am strongly opposed to The Alternate 5 route  
So-Calix Edison has proposed.  
The American dream is to own property + a  
home and the placing of power lines thru our  
"dream" is a travesty.  
Not only that, but the health risk involved in  
placing lines through neighborhoods is unacceptable.  
Please reconsider the original placement.

D.79-1

*\*Please print. Your name, address, and comments become public information and may be released to interested parties if requested.*

Please either deposit this sheet at the sign-in table before you leave today, or fold, stamp, and mail. Insert additional sheets if needed. Comments must be postmarked by September 18, 2006. Comments may also be faxed to the project hotline at (661) 215-5152 or emailed to antelope-pardee@aspenerg.com.

## **Response to Comment Set D.79: Ronald Esquibel**

D.79-1 Thank you for your opinion regarding the proposed Project. Please see General Response GR-3 regarding EMF health concerns.
