

L. Index

Agriculture

Environmental Setting	D.6-1
Impacts of the Proposed Project	D.6-15
Impacts of the Alternatives	D.6-49
Mitigation Measures and Monitoring	D.6-103
Environmental Setting of the SWPL Alternatives	E.1.6-1
Impacts of the SWPL Alternatives	E.1.6-1
(BCD)	E.2.6-1
(Route D).....	E.3.6-1
(Modified Route D)	E.4.6-2
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-135
(All Source).....	E.6-121
Environmental Setting and Impacts of the LEAPS Alternative.....	E.7-115
(with generation)	E.7-260

Air Quality

Environmental Setting	D.11-1
Impacts of the Proposed Project	D.11-20
Impacts of the Alternatives	D.11-58
Mitigation Measures and Monitoring	D.11-80
Environmental Setting of the SWPL Alternatives	E.1.11-1
Impacts of the SWPL Alternatives	E.1.11-1
(BCD)	E.2.11-1
(Route D).....	E.3.11-1
(Modified Route D)	E.4.11-1
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-204
(All Source).....	E.6-174
Environmental Setting and Impacts of the LEAPS Alternative.....	E.7-160
(with generation)	E.7-277

Alternatives

Section C of the EIR/EIS summarizes the alternatives. Appendix 1 of the EIR/EIS describes alternatives in detail. Each part of Section D and Section E presents analysis of each alternative by issue area.

Screening of the Alternatives: Section C and Appendix 1	
Description of the Alternatives: Section C and Appendix 1	
Alternatives Considered but Eliminated from Detailed Analysis: Section C.5 (pages C-10, C-77) and Appendix 1 (page Ap.1-7)	
Comparison of the Consequences of Each Alternative: Section H	

Applicant Proposed Measures	B-132
--	-------

Archaeological Resources

See Section D.7 and the respective 7th subsections of Sections E.1 through E.8, Cultural Resources

Biological Resources

Environmental Setting.....	D.2-1
Impacts of the Proposed Project.....	D.2-79
Impacts of the Alternatives	D.2-267
Mitigation Measures and Monitoring	D.2-485
Environmental Setting of the SWPL Alternatives	E.1.2-1
Impacts of the SWPL Alternatives.....	E.1.2-13
(BCD).....	E.2.2-3
(Route D).....	E.3.2-3
(Modified Route D).....	E.4.2-3
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-33
(All Source).....	E.6-29
Environmental Setting and Impacts of the LEAPS Alternative.....	E.7-13
(with generation).....	E.7-225

Bureau of Land Management	A-20
--	------

California Public Utilities Commission	A-7, A-19
---	-----------

California State Parks

Anza-Borrego Desert State Park	A-21
--------------------------------------	------

Climate and Meteorology

See Section D.11 and the respective 11th subsections of Sections E.1 through E.8, Air Quality

Contamination (Hazardous Materials)

Environmental Setting.....	D.10-1
Impacts of the Proposed Project.....	D.10-15
Impacts of the Alternatives:	D.10-87
Mitigation Measures and Monitoring	D.10-169
Environmental Setting of the SWPL Alternatives	E.1.10-1
Impacts of the SWPL Alternatives.....	E.1.10-4
(BCD).....	E.2.10-2
(Route D).....	E.3.10-1
(Modified Route D).....	E.4.10-2
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-192
(All Source).....	E.6-161
Environmental Setting and Impacts of the LEAPS Alternative.....	E.7-150
(with generation).....	E.7-272

Cultural and Paleontological Resources

Environmental Setting	D.7-9
Impacts of the Proposed Project	D.7-30
Impacts of the Alternatives:	D.7-103
Mitigation Measures and Monitoring	D.7-237
Environmental Setting of the SWPL Alternatives	E.1.7-1
Impacts of the SWPL Alternatives	E.1.7-2
(BCD)	E.2.7-1
(Route D).....	E.3.7-2
(Modified Route D)	E.4.7-2
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-153
(All Source).....	E.6-127
Environmental Setting and Impacts of the LEAPS Alternatives.....	E.7-119
(with generation)	E.7-260

Cumulative Effects

Section G of the EIR/EIS is devoted to cumulative effects

Economics

See Section D.14 and the respective 14th subsections of Sections E.1 through E.8, Socioeconomics

Comparison of Alternatives

See Section H

Endangered Species

See Section D.2, Biological Resources

Electric and Magnetic Field (EMF)

Proposed Project considerations	D.10-148
---------------------------------------	----------

Environmental Analysis

Section D.1 of the EIR/EIS describes approach and methodology. Each part of Section D describes methodology specific to the discipline addressed.

Environmental Justice	F-1
------------------------------------	-----

Fire and Fuels Management

Environmental Setting.....	D.15-5
Impacts of the Proposed Project.....	D.15-74
Impacts of the Alternatives:	D.15-176
Mitigation Measures and Monitoring	D.15-264
Environmental Setting of the SWPL Alternatives	E.1.15-1
Impacts of the SWPL Alternatives.....	E.1.15-20
(BCD).....	E.2.15-1
(Route D).....	E.3.15-6
(Modified Route D).....	E.4.15-8
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-260
(All Source).....	E.6-218
Environmental Setting and Impacts of the LEAPS Alternative.....	E.7-188
(with generation).....	E.7-302

Geology, Mineral Resources, Soils

Environmental Setting.....	D.13-1
Impacts of the Proposed Project.....	D.13-44
Impacts of the Alternatives:	D.13-115
Mitigation Measures and Monitoring	D.13-175
Environmental Setting of the SWPL Alternatives	E.1.13-1
Impacts of the SWPL Alternatives.....	E.1.13-9
(BCD).....	E.2.13-2
(Route D).....	E.3.13-2
(Modified Route D).....	E.4.13-2
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-228
(All Source).....	E.6-199
Environmental Setting and Impacts of the LEAPS Alternative.....	E.7-172
(with generation).....	E.7-291

Growth Inducing Effects	F-34
--------------------------------------	------

Historic Sites

See Section D.7 and the respective 7th subsections of Sections E.1 through E.8, Cultural Resources

Hydrology

See Section D.12 and the respective 12th subsections of Sections E.1 through E.8, Water Resources

Imperial Valley Study Group

See Section A.4.3 (page A-15)

Land Use		Operation and Maintenance	B-97
Environmental Setting	D.4-1	Paleontological Resources	
Impacts of the Proposed Project	D.4-17	<i>See Section D.7 and the respective 7th subsections</i>	
Impacts of the Alternatives:	D.4-63	<i>of Sections E.1 through E.8, Cultural and</i>	
Mitigation Measures and Monitoring	D.4-114	<i>Paleontological Resources</i>

No Project Alternative	C-143		
.....	E.8		

Transportation and Traffic

Environmental Setting	D.9-1
Impacts of the Proposed Project	D.9-19
Impacts of the Alternatives:	D.9-82
Mitigation Measures and Monitoring	D.9-148
Environmental Setting of the SWPL Alternatives	E.1.9-1
Impacts of the SWPL Alternatives	E.1.9-4
(BCD)	E.2.9-2
(Route D).....	E.3.9-1
(Modified Route D)	E.4.9-2
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-177
(All Source).....	E.6-147
Environmental Setting and Impacts of the LEAPS Alternatives.....	E.7-139
(with generation)	E.7-268

Visual Resources

Environmental Setting	D.3-1
Impacts of the Proposed Project	D.3-47
Impacts of the Alternatives:	D.3-209
Mitigation Measures and Monitoring	D.3-317
Environmental Setting of the SWPL Alternatives	E.1.3-1
Impacts of the SWPL Alternatives	E.1.3-7
(BCD)	E.2.3-3
(Route D).....	E.3.3-3
(Modified Route D)	E.4.3-7
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-97
(All Source).....	E.6-67
Environmental Setting and Impacts of the LEAPS Alternatives	E.7-55
(with generation)	E.7-238

Water Resources

Environmental Setting	D.12-1
Impacts of the Proposed Project	D.12-20
Impacts of the Alternatives:	D.12-81
Mitigation Measures and Monitoring	D.12-131
Environmental Setting of the SWPL Alternatives	E.1.12-1
Impacts of the SWPL Alternatives	E.1.12-3
(BCD)	E.2.12-1
(Route D).....	E.3.12-1
(Modified Route D)	E.4.12-2
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-213
(All Source).....	E.6-185
Environmental Setting and Impacts of the LEAPS Alternatives.....	E.7-165
(with generation)	E.7-282

Wetlands and Floodplains

See Section D.2 and the respective 2nd subsections of Sections E.1 through E.8, Biological Resources

Wilderness and Recreation

Environmental Setting.....	D.5-1
Impacts of the Proposed Project.....	D.5-25
Impacts of the Alternatives:	D.5-77
Mitigation Measures and Monitoring	D.5-109
Environmental Setting of the SWPL Alternatives	E.1.5-1
Impacts of the SWPL Alternatives.....	E.1.5-5
(BCD).....	E.2.5-2
(Route D).....	E.3.5-1
(Modified Route D).....	E.4.5-2
Environmental Setting and Impacts of the Non-Wires Alternatives (Renewables).....	E.5-128
(All Source).....	E.6-117
Environmental Setting and Impacts of the LEAPS Alternatives	E.7-109
(with generation).....	E.7-255
