c/o Aspen Environmental Group
235 Montgomery Street, Ste 935
San Francisco, CA 94104

Dear Ms. Blanchard and Ms. Kastoll,

The Campo-Lake Morena Planning Group is requesting on behalf of the Campo-Lake Morena residents a hearing on the Sunrise Powerlink Project to be held in Campo. We propose a hearing date for Monday, October 22nd at 7:00 p.m. at the Campo Community Center.

It is our understanding that there is a change in the proposed Alternate Route D that will seriously affect the health and quality of life for our Campo-Lake Morena residents as well as negatively impacting native wildlife habitats and Native American cultural sites.

The Campo-Lake Morena Planning Group is an elected 9 member land use advisory board whose primary purpose is to advise the San Diego Board of Supervisors on community land use projects. This request is supported by the Campo-Lake Morena Planning Group and concerned residents of our community.

Sincerely,

Denise Morse

Sunrise Powerlink Project Manager

Aspen Environmental Group
235 Montgomery Street, Ste 935
San Francisco, CA 94102

Dear Project Manager,

This is a formal request for information, photos, maps and other materials that pertain to the Sunrise Powerlink Project proposed change in Alternate Route D.

This request is submitted by the Campo-Lake Morena Planning Group on behalf of the Campo-Lake Morena residents.

The Campo-Lake Morena Planning Group is an elected (volunteer) 9 member land use advisory board whose primary purpose is to advise the San Diego Board of Supervisors on community land use projects. The planning group represents a low-income area of southeast San Diego County and is requesting that all material and postage fees be waived.

It is our understanding that there is a change in the proposed Alternate Route D that will seriously affect the health and quality of life for our Campo-Lake Morena residents as well as negatively impacting native wildlife habitats and Native American cultural sites.

The materials will be used to answer questions from the Planning Group's constituents.

Sincerely,

Denise Morse
