DEAR CPUC AND BLM,

THIS LETTER IS IN RESPONSE TO THE PROPOSED MODIFIED ROUTE D ALTERNATIVE FOR THE SDG&E SILVERTISE POWERLINE PROJECT.

JENNIFER, THANK YOU FOR FINDING THIS BEAUTIFUL PIECE OF PROPERTY OVER LOOKING THE MAGNIFICENT VALLEY. DO YOU WANT TO TAKE THE HORSES FOR A RIDE? YOU BET JOE. WHERE DO YOU WANT TO RIDE? LETS HEAD TO THE NARROWS ON THE OTHER SIDE OF CAMERON TRUCK TRAIL. WE CAN RIDE BY THE CREEK AND THEN GO THRU THE MEADOW TOWARD THE GROVE OF OAK TREES. JOE, IT IS SO BEAUTIFUL! TOO BAD THESE EXISTING POWER LINES ARE HERE. IT'S FUNNY YOU MENTIONED THAT. RANDY, OUR NEIGHBOR SAID THAT THERE IS A PROPOSAL TO PUT UP NEW STEEL POWER TOWERS THAT ARE THREE TIMES LARGER THAN THESE WOOD POLES. ALSO, BECAUSE OF THE HIGH WINDS IN OUR AREA THEY WOULD HAVE CABLE STABILIZERS YOU KNOW... LIKE THOSE ORANGE BALLOON THINGS. OH THAT WOULD BE JUST AWFUL JOE. I JUST LOVE THIS VALLEY AND SO MANY OF OUR NEIGHBORS ENJOY IT ALSO. THEY SHOULD MAKE THIS AREA A PARK. LOOKING AT THOSE TOWERS WOULD BE AWFUL FOR EVERYBODY IN THIS AREA. IT WOULD HAVE AN IMPACT ON WILDLIFE, PLANTS AND THE GEOLOGICAL AREAS. YOU KNOW JENNIFER I AM NOT A TREE HUGGER BUT SOMEONE NEEDS TO STUDY THIS PROPOSAL, HOW ABOUT GOING UNDERGROUND. THE MODIFIED ROUTE D ALTERNATIVE IS A BAD IDEA ON ALL LEVELS WE OPPOSE ^{IT} COMPLETELY.
