Title: Environmental Coordinator
Dated: 02/10/2010

Question 01:

Data response to Question 01, dated 12/14/09, indicates surveys for VIG/Fogarty were conducted in 2008 and 2009. The response additionally indicates that surveys for fairy shrimp and vernal pools were conducted during this time period. We have no reports from surveys conducted in 2008 and 2009, nor for vernal pool species. Please provide these reports and GIS data supporting the reports including species observation points and the survey corridors.

Response to Question 01:

The above mentioned surveys are ongoing through Spring 2010, and the final report and GIS data are anticipated to be available June 2010.
