**Question 26-13:**

**Access driveways**

In Table 33 were unsignalized access driveways assumed?

**Response to Question 26-13:**

Table 38: Driveway Operation Summary (previously Table 33) assumes that both driveways would be stop controlled. The following language has been added to page 60, paragraph 3:

“Both driveways were assumed to be side-street stop controlled.”
