Question 01.c:

CEQA Guidelines section 15126.6(e) provides the scope and purpose of an EIR's no project alternative analysis. The inclusion of a "no project" alternative in the EIR "is to allow decision makers to compare the impacts of approving the proposed project with the impacts of not approving the proposed project." The no project alternative must "discuss . . . what would be reasonably expected to occur in the foreseeable future if the project were not approved, based on current plans and consistent with available infrastructure and community services."

Please provide the following information relevant to the no project alternative in the short term:

- C. State whether or not any short term actions would serve to address issues in the long term.
If not, please state why not.

Response to Question 01.c:

Refer to Page 1, lines 33-38 and Page 2, lines 28-37 of the document attached in Question 1.a for response to this question.
