

Mr. Jensen Uchida,

Dear Mr. Uchida,

We have 2 10 acre lots on our 37149 Rd 192, Woodlake property. We prefer the power lines not go near us.

"As every man hath received the gift, even so minister the same one to another, as good stewards of the manifold grace of God." I Peter 4:10

Not only for ourselves but also we look forward to something worthy of our children.

Sincerely,

W Van Dellen
