1. The Scripps Ranch Planning Group would appreciate a presentation at our regular meetings on October 1, 2015 or November 5, 2015. If not on October 1, then we would like an extension of the comment period to Nov 13, 2015

2. Can this project be combined with the SDGE proposed gas transmission line also proposed for Pomarado Rd in Scripps Ranch - i.e. can one project preclude the other?

3. If Pomarado Rd is disturbed for either project, we want (A) Reclaimed water (purple pipe) extended from Willow Creek Rd east to Stonebridge Parkway
