- 4 **Approval of Funding for the Grant Application of Race Telecommunications, Inc., from the California Advanced Services Fund up to the Amount of \$28,572,819 for the Gigafy Phelan Underserved Broadband Project in San Bernardino County**

[15648]

Res T-17525

PROPOSED OUTCOME:

- Approves funding up to the amount of \$28,572,819 from the California Advanced Service Fund (CASF) for the grant application of Race Telecommunications, Inc., to construct the Gigafy Phelan Project. The Gigafy Phelan Project will install a fiber-to-the-premises system in the underserved communities in and around Phelan in San Bernardino County.

SAFETY CONSIDERATIONS:

- The southern edge of the project area is vulnerable to wildfires. The infrastructure Race would install could potentially facilitate the community's interaction with first responders and health care professionals by supplying ubiquitous broadband services and providing supplemental telecommunications infrastructure in a largely rural area.

ESTIMATED COST:

- Would expend \$28,572,819 from CASF Infrastructure grant fund.

Decision Granting Request for an All Service Area Code Overlay in the 805 Numbering Plan Area

[15670]

A16-11-008

Application of the North American Numbering Plan Administrator, on behalf of the California Telecommunications Industry, for Relief of the 805 Numbering Plan Area.

PROPOSED OUTCOME:

- Grants approval of a numbering plan area overlay for the 805 numbering plan area (NPA) with a 13-month implementation schedule.
- Adopts an implementation plan and schedule with an April 2016 start date for customer education and network preparation.
- After the implementation period, a new area code, 820, will be assigned to the same geographic area occupied by the existing 805 area code.
- Adopts a Public Education Program to facilitate implementation of the area code overlay relief plan.
- No customers will be required to change their telephone number; however, customers will have to dial the three-digit area code for all calls to and from telephone numbers with the 805 area code.
- Application 16-11-008 is closed.

SAFETY CONSIDERATIONS:

- The Order adopts an area code overlay and Public Education Plan that is supported by alarm companies and public safety answering representatives (911) and is consistent with Pub. Util. Code Section 451.

ESTIMATED COST:

- Unknown at this time.

**Approves TracFone Wireless, Inc.'s Request to Provide
Federal Lifeline and California LifeLine Wireless Customers
with Handsets Capable of Being Unlocked without a Hardware
Swap**

[15714]

Res T-17566

PROPOSED OUTCOME:

- Approves TracFone to provide handsets capable of being unlocked without a hardware swap to eligible federal Lifeline and California LifeLine wireless customers.

SAFETY CONSIDERATIONS:

- Handsets capable of being unlocked do not adversely affect customer safety: the safety considerations using wireless devices remain unchanged.

ESTIMATED COST:

- There are no costs associated with this proposed resolution.
