- Grants Authority under Public Utilities Code Section 454 to Del Oro Water Company (Del Oro); Tulare District, to file a supplemental advice letter with the revised rate schedules attached to this Resolution as Appendix B, and concurrently cancel its presently effective rate Schedule No. TU-1.
- The effective date of the revised schedules shall be five days after the date of filing.
- Authorizes Del Oro to file a Tier 2 advice letter within 30 days from the effective date of this Resolution to collect the under-collected revenues from May 25, 2017, the interim rate date, to the effective date of the new rates established in this Resolution.
- This advice letter shall become effective upon approval by Staff of the Water Division.

Safety Considerations:

- The resolution provides adequate revenues to the utility so that it can provide safe and reliable water service to its customers. The water served by the utility meets all applicable water quality standards set forth by the State Water Resources Control Board.

Estimated Cost:

- \$19,806, or 31.0%, for Test Year 2017 to be paid for by ratepayers of Del Oro.

GN Docket No. 17-199

In the Matter of Inquiry Concerning Deployment of Advanced telecommunications Capability to All Americans in a Reasonable and Timely Fashion, GN Docket No. 17-199, Released: August 8, 2017.

The Federal Communications Commission has issued its *Thirteenth Section 706 Report Notice of Inquiry* in which it is making an annual assessment of the "availability of advanced telecommunications capability to all Americans in a reasonable and timely fashion," and is soliciting comments to support its analysis. California Public Utilities Commission staff seeks authority to submit comments in this docket consistent with California data the Commission has gathered and analyzed. Comments are due September 7, 2017 and reply comments are due September 22, 2017.

WC Docket No. 11-10

In the Matter of Modernizing the Federal Communications Commission Form 477 Data Program, WC Docket No. 11-10, Released: August 4, 2017.

The Federal Communications Commission (FCC) has issued a *Further Notice of Proposed Rulemaking (FNPRM)* in which it is initiating a proceeding to review its "Form 477," which is "the principal tool" the FCC uses to gather data on communications services, include broadband services, to help inform its policymaking. The FCC identifies two goals for this *FNPRM*: to examine its data collection process to collect better and more accurate data using Form 477, and to explore how other aspects of the data collection process can be revised to increase the usefulness of the process. Staff seeks authority to submit comments consistent with CPUC policy. Comments are due September 25, 2017 and reply comments are due October 10, 2017.
