Subject: Sunrise Powerlink-- Anza Borrego

To Whom It May Concern,

I am writing to express my disapproval of the routing of the Sunrise Powerlink through Anza-Borrego Desert State Park. As a visitor to the park, I have been endlessly impressed by its vast expanses of varying landscapes, and by the minimal markings of humans within those landscapes. The Sunrise Powerlink would be invasive and an eyesore. This is not how State Parks should be used. Please consider rerouting the Powerlink, in order to help preserve the great sanctuary that is Anza-Borrego.

Sincerely,

Joshua Fields
