<p>This image presents the Existing View to the north from KOP 4 on Leon Road, south of Scott Road at the intersection with Fowler Drive in the eastern portion of Paloma Valley. This view captures an existing wood-pole utility line along the west side of Leon Road. This portion of Leon Road is lined with intermittent rural residences, which is characteristic of this valley landscape. The rocky, irregular forms of a middleground ridge and Double Butte Mountain (West) beyond contribute visual interest.</p>	<p>KOP 4 Leon Road at Fowler Drive <hr/> Existing View</p>	<p>Valley South Subtransmission Project Environmental Impact Report Aesthetics Figure C.2-5a</p>
