Re: Valley South Subtransmission Project - SCE Responses to the Data Gaps in the  
Pre-Filing PEA Administrative Drafts for Chapters 1 to 6

Dear Eric and Sandra,

Thank you for your comments on Southern California Edison's (SCE) Administrative Draft Proponent's Environmental Assessment (PEA) for Chapters 1 to 6. We have appreciated your input and have found the pre-filing consultation very helpful. We look forward to working with you on the PEA and the Permit to Construction Application that we will be filing with the Commission on December 15, 2014.

Responses to the Data Gaps are provided herein. If you have any questions regarding this, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Thomas Diaz".
