Proposed Antelope-Pardee 500-kV Transmission Project

Date: Sept 13 2006

Name\*: Mary Esquibel

Affiliation (if any):\*

Address\*: 8537 Gatough Ave

City, State, Zip Code\*: West Hills, CA 91304

Telephone Number\*: 818-8848087

Email\*: I would like to express my deepest opposition to the proposed Alternate 5 option for the placement of the power lines

I have family with small children who are currently building a home in Agua Dulce - we are frequent visitors & would be horrified if such power lines were going in.

We also love the Vasquez rocks and their unobstructed beauty.

Please do not obstruct the beauty our family holds so dear.

Keep the lines on their original route.
