Hello,

I am a recreational Cabin Owner located at 32906 Bouquet Canyon Road, Cabin No. 7. I am adamantly opposed to the new 500 K transmission line, route No.2, being installed mid slope in clear view of my recreational cabin property and to all the thousands of visitors that frequent the canyon. This canyon is one of the last rural areas located in national forest located between and surrounded by millions of people. Please have them use route no. 5.

Thank You,

Sherry Wissmath
