Subject: Antelope-Pardee 500KV Transmission Project

To Whom It May Concern:

I am writing to express my strong opposition regarding the Antelope-Pardee Transmission Project. I am especially against the Alternate 5 Reroute, which would effect my family greatly. I am concerned because the Alternate 5 Reroute would displace families, consume more private land, and greatly decrease my property value. The Alternate 5 reroute is also the longest and impacts the most private property. Please consider my opinion when you make a decision regarding the Project.

Sincerely,
Nicole Glancy
