Proposed Antelope-Pardee 500-kV Transmission Project

Date: September 5, 2006

Name*: Mark and Sandy Buchholz

Affiliation (if any):* _____

Address*: 8823 Penhaven Ln.

City, State, Zip Code*: Leona Valley, CA 93551

Telephone Number*: (661) 270-9588

Email*: Mbuchholz5@cs.com

RECEIVED
SEP 07 2006

BY: _____

We have lived in Leona Valley for 13 years. We urge you to use existing corridors for the transmission project. The construction of new towers around and through our community would prove to be an unnecessary health risk to residents, and an eyesore in the midst of our rural community.

Please do the right thing by choosing not to displace residents. Let Leona Valley stay the way it is.

Thank you

Sandy Buchholz

*Please print. Your name, address, and comments become public information and may be released to interested parties if requested.

Please either deposit this sheet at the sign-in table before you leave today, or fold, stamp, and mail. Insert additional sheets if needed. Comments must be postmarked by September 18, 2006. Comments may also be faxed to the project hotline at (661) 215-5152 or emailed to antelope-pardee@aspeng.com.

D.17-1

Response to Comment Set D.17: Mark and Sandy Buchholz

D.17-1 Thank you for expressing your concerns on the Project. Please see General Response GR-3 regarding the effects of EMF. Also, note that the Draft EIR/EIS identifies numerous adverse visual effects from the proposed Project or the alternatives.
