Affiliation (if any):\*

Address\*: 40330 75<sup>th</sup> St. W.

City, State, Zip Code\*: Leona Valley CA 93551

Telephone Number\*: 661 270 9576

Email\*: "Think"

Not only does the proposed transmission line through Leona Valley create an eyesore for the residents, ~~but~~ the EMFs pose a potential medical problem, especially for the children. While the forest land (forestry) does not want it on their property, doesn't it make more sense to put it in their non populated area where it will not cause harm to our children?
