

PUBLIC MEETING

Antelope-Pardee 500-kV Transmission Project Environmental Impact Report/Environmental Impact Statement (EIR/EIS)

Meeting Purpose: To provide information about the Antelope-Pardee 500-kV Transmission Project to interested parties. To solicit comments on the Draft EIR/EIS that was released to the public on July 24, 2006.

Agenda

- | | | |
|------|---|---------------------------|
| I. | Welcome and Introduction | Chester Britt/John Boccio |
| II. | Overview of proposed Project & Alternatives | Jon Davidson |
| III. | Draft EIR/EIS Summary | Jon Davidson |
| IV. | Questions and Answers | Negar Vahidi |
| V. | Public Comments | Chester Britt |
| VI. | Meeting Conclusion | Chester Britt |

Providing Verbal Comments: In order to make verbal comments on the Draft EIR/EIS at this meeting, please fill out a speaker registration card and turn it in at the sign-in table. Please fill out the card as completely as possible, providing your name and address for the record. During the public comment portion of the meeting, speakers will be called to the microphone individually by the meeting facilitator. Speakers will be called according to the order that speaker cards are received. Speaking time will be limited to three minutes per speaker.

Providing Written Comments: You are encouraged to submit your comments in writing. Please use the forms provided at this meeting and submit them at the sign-in table. Comments may also be submitted via mail, fax, or e-mail:
