

B-1. Comments from Community Groups, Organizations, and Private Companies on the Draft EIR

This section provides revised responses to comments received from community groups, organizations, and private companies on the original Draft EIR (December 2007) during the comment period of December 12, 2007 through January 25, 2008, as listed in Table 3-1. The one comment letter in this category appeared in the original El Casco System Project Final EIR (April 2008) and has been revised per the new information and analysis contained in the Recirculated Draft EIR published in July 2008. Revisions are shown in ~~strikeout~~ for text deletions and underline for text additions.
