**Subject:** Proposed Power Lines

Jan. 24, 2008

As a resident and home owner of Sun Lakes Country Club, my husband and I are against the proposed power lines being **above ground**. **We support the proposed power lines be placed underground.**

- C42-1** Your support for the Partial Underground Alternative has been noted. The Environmentally Superior Alternative has been re-evaluated and is identified in the Recirculated Draft EIR, Section E (July 2008) as the Proposed Project. Please see General Response GR-1 for a discussion regarding the change in determination of the Environmentally Superior Alternative.
