Subject: Fwd: Sunrise Powerlink

To Whom It May Concern:

We are one of the 20 owners at the Imperial Lakes complex located at 2828 West Evan Hewes Highway and are opposed to the placement of the powerlink that is proposed to parallel Evan Hewes. We are opposed not only because of the aesthetics but also have health concerns and also issues related to the impact of property values.

Please find an alternate route in the wide open spaces that are available in the Imperial Valley.

Sincerely,

John and Linda Geels
2828 West Evan Hewes Highway, #20
Imperial, CA 92251
