1	Sunrise Construction Mitigation Schedule	369 d	1/1/08	5/31/09	[Summary bar]																																																																							
2	Imperial Valley	284 d	1/1/08	1/31/09	[Summary bar]																																																																							
3	Rare plant	1 d	1/1/08	1/1/08	[Milestone diamond]																																																																							
4	MP, assumed presence	1 d	1/1/08	1/1/08	[Milestone diamond]																																																																							
5	FTHL MA	262 d	1/1/08	12/31/08	[Summary bar]																																																																							
6	MP 0-5, 18-50, monitor required ,	262 d	1/1/08	12/31/08	[Progress bar]																																																																							
7	MP 44.5, in vicinity	262 d	1/1/08	12/31/08	[Progress bar]																																																																							
8	Desert Pupfish	1 d	1/1/08	1/1/08	[Milestone diamond]																																																																							
9	MP 40, San Felipe Creek	1 d	1/1/08	1/1/08	[Milestone diamond]																																																																							
10	Burrowing Owl	261 d	2/1/08	1/31/09	[Summary bar]																																																																							
11	MP 4.8-13, 13.2-61, if present no disturbance within 160'	110 d	9/1/08	1/31/09	[Progress bar]																																																																							
12	MP 13.1, if burrow occupied no disturbance within 250'	151 d	2/1/08	8/31/08	[Progress bar]																																																																							
13	Bighorn Sheep	173 d	2/1/08	9/30/08	[Summary bar]																																																																							
14	MP 60-61, Lambing season	151 d	2/1/08	8/31/08	[Progress bar]																																																																							
15	Most water needed	109 d	5/1/08	9/30/08	[Progress bar]																																																																							
16	Desert Tortoise	175 d	3/3/08	10/31/08	[Summary bar]																																																																							
17	MP 40.2-45.3,46.3-49.7,50.1-58.8,59.8-61	175 d	3/3/08	10/31/08	[Progress bar]																																																																							
18	Desert Link	369 d	1/1/08	5/31/09	[Summary bar]																																																																							
19	Rare plant	0 d	1/1/08	1/1/08	[Milestone diamond]																																																																							
20	MP 71-83	0 d	1/1/08	1/1/08	[Milestone diamond]																																																																							
21	Bighorn Sheep	173 d	2/1/08	9/30/08	[Summary bar]																																																																							
22	MP 61-80.5, Lambing season	151 d	2/1/08	8/31/08	[Progress bar]																																																																							
23	Most water needed	109 d	5/1/08	9/30/08	[Progress bar]																																																																							
24	QCB	239 d	7/1/08	5/31/09	[Summary bar]																																																																							
25	MP 82.9-83.5, larve/adult	77 d	7/1/08	10/15/08	[Progress bar]																																																																							
26	Host plant	162 d	10/16/08	5/31/09	[Progress bar]																																																																							
27	Desert Tortoise	165 d	3/17/08	10/31/08	[Summary bar]																																																																							
28	MP 61-74.9	165 d	3/17/08	10/31/08	[Progress bar]																																																																							
29	Burrowing Owl	261 d	2/1/08	1/31/09	[Summary bar]																																																																							
30	MP 61-69.7, if present no disturbance within 160'	77 d	10/16/08	1/31/09	[Progress bar]																																																																							
31	If burrow occupied no disturbance within 250'	151 d	2/1/08	8/31/08	[Progress bar]
