Subject: Opposition to the Sunrise Powerlink through Campo/Lake Morena

Dear Sir or Madam:

The purpose of this e-mail is to register my opposition to the proposed Sunrise Powerlink through the Campo/Lake Morena community. This area is one of the last of the true mountain towns of Southern California. The roots of the area go back to the cattle ranches and homesteads of the 1800's. This is where my grandfather's family homesteaded when they moved west from Texas. Please don't take this heritage and these wonderful memories from all of us. Thank you for your concern and for NOT placing the powerlink through Campo.

Sincerely,

Chanda Derrick Kuhn
