

Michael Clayton & Associates

The **existing view** to the north-northeast toward the existing SWPL transmission line as it passes just north of the community of Jacumba. The view is from Jacumba Street, just north of Calexico Avenue in Jacumba. The I-8 Alternative would be located adjacent and to the north of the existing SWPL line. This view illustrates the visibility of the route to nearby residences as it crosses the ridgelines north of Jacumba.
