The **existing view** to the southeast toward Borrego Mountain from Fonts Point in Anza-Borrego Desert State Park (ABDSP). This view encompasses the Badlands area of ABDSP (in the foreground) and both the East Butte (on the left) and West Butte (on the right) of Borrego Mountain as shown in the center of the photograph above. The Proposed Project route would pass east to west beyond Borrego Mountain at a viewing distance ranging from 8 miles (southwest of Borrego Mountain) to 16 miles (southeast of Borrego Mountain).
