DATE October 28, 2010

RE: Sunrise Powerlink Project – Mitigation Measure Compliance for School District and Transit Agency Coordination, Mitigation Measure T-APM-5

Dear Ms. Coronado:

This memorandum is provided to CPUC for the administrative record to document compliance with Mitigation Measure T-APM-5; coordination with school districts and transit authorities.

Attached are the meeting minutes for the following school districts:

Grossmont School District	August 18, 2010 meeting minutes
Lakeside School District	August 18, 2010 meeting minutes
Alpine School District	August 26, 2010 meeting minutes
Jamul-Dulzura School District	September 1, 2010 meeting minutes
Mt. Empire School District	September 1, 2010 meeting minutes
Poway School District	September 8, 2010 meeting minutes

Attached are the meeting minutes and email correspondence/confirmation of coordination with the following transit authorities:

Metropolitan Transit District September 2, 2010 meeting minutes

Imperial Valley Transit District October 8, 2010 email correspondence

SDG&E considers this measure complete, but will coordinate with school districts and transit authorities as necessary immediately prior to and during construction.

Sincerely,

A handwritten signature in cursive script, appearing to read "Linda Collins".

Linda Collins – Compliance Lead

Cc: Alan Colton, Manager – Environmental Services
 Molly Frisbie, Senior Engineer
