Buying property and moving to
Boulevard 10 years ago was an
effort on our part to get away
from the over populated city atmosphere

We wanted to be where we could enjoy
fresh air, look to the horizon and
see Blue Skies - Live where our
5 grandchildren could play outside with
out fear of cars, smog, pedafiles or
pollutants of any kind - Now we have
been threatened with High Voltage
Power Lines that are objectionable to
everyone here -!! Please put them in
the state park offending visitors maybe, But No
over head - 365 days a year -
