II. CONSTRUCTION ACTIVITIES

LINK 1: Plaster City and Ocotillo Desert Region

Road maintenance, brush clearing, the use of jackhammers, shovel work, grading, drilling, bulldozing, watering, establishment of ESA near a cultural site.

LINK 2: Bartlett-Hauser Yard

Post hole drilling, fence installation, wood chipping, shoring, fencing, and gravel bagging.

LINK 3: Suncrest Substation

No monitors required at this location for this week.

LINK 4: Alpine Underground

Mr. Brown noted trenching along Alpine Blvd.

LINK 5: Various Locations

No monitors required at this location for this week.

III. OBSERVATIONS

LINK 1: Plaster City and Ocotillo Desert Region

On August 23, Mr. Salazar noted “Cultural material present in the area of direct impact, but only small flakes that are isolates.”

LINK 2: Bartlett-Hauser Yard

On August 25, Mr. Salazar noted “some isolates” near Kreutz Camp which were moved to a safe area. Lithic scatter, tools and flakes were observed on August 24 and 25.

LINK 3: Suncrest Substation

No monitors required at this location for this week.

LINK 4: Alpine Underground

Mr. Brown noted spot checking at several locations.

LINK 5: Various Locations

No monitors required at this location for this week.

IV. CONCERNS EXPRESSED

LINK 1: Plaster City and Ocotillo Desert Region

No concerns this week.

LINK 2: Bartlett-Hauser Yard

Mr. Salazar noted a fire caused by a lightning strike, prompting him to inquire about the proper chain of command in situations like this. Mr. Sutton expressed his recommendation that Native American Monitoring continues on for all work conducted from the Kreutzkamp yard, due to cultural sensitivity.

LINK 3: Suncrest Substation

No monitors required at this location for this week.

LINK 4: Alpine Underground

No concerns were expressed this week.

LINK 5: Various Locations

No monitors required at this location for this week.

V. SUMMARY

In general, few cultural resources were noted and only one concern made in regards to culturally sensitive resources.

VI. SUMMARY PREPARER

Hillary Murphy, Project Archaeologist, Tierra Environmental Services, Inc.
Joseph M. Nixon, Senior Anthropologist, Tierra Environmental Services, Inc.
Kyle Stankowski, Associate Archaeologist, Tierra Environmental Services, Inc.
