

Existing lines along Interstate 8 coming from Dehesa Road to Lake Jennings Road where they cross I-8.

Freeway I-8
near Lake Jennings Exit
← Possible Alternate Route

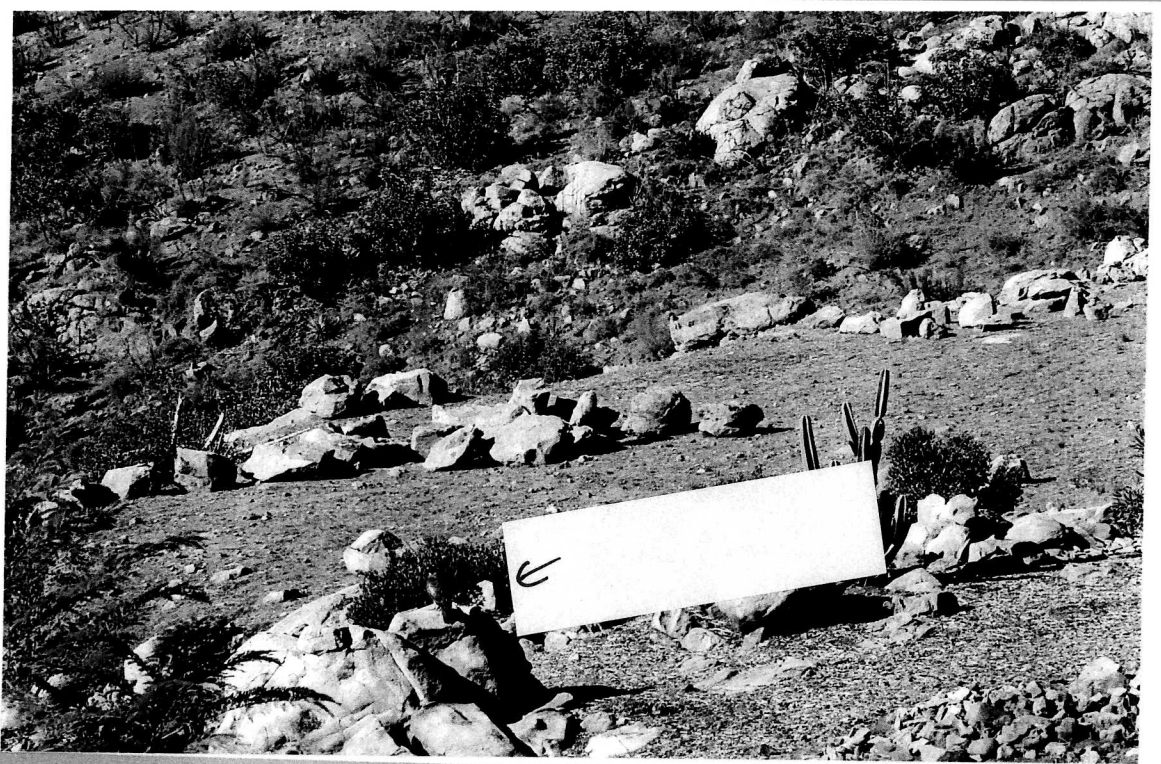

Various wild life living near lines

Quail

Coyotes, bob cats, deer, mountain lions, etc all use this corridor and live in the area of photos

Birds use poles as lookout many times a day
They also fly near poles catching updrafts
from mountain

Bird on pole

Hawks ~~will~~ fly all around
One landed on powerline and started fire approx 2000;
but was put out by neighbors

Hawk under power lines
