

<p>The existing view to the southeast toward Switching Station Site No. 1 in the Tesla-Newark Corridor. The proposed site would be located in the center of the photograph between the Stanislaus Line on the north (behind the tree) and the Contra Costa-Newark Line to the south (shown in the right of the photograph).</p>	<p>Switching Station Site No. 1 Tesla-Newark Corridor</p>	<p>Tri-Valley 2002 Capacity Increase Project EIR FIGURE C.13-1</p>
