**Question BIO-14:**

**Biological Resources**

**BIO-14** Has SCE initiated its Participating Special Entity (PSE) application processes with the administrators of the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP) and Coachella Valley MSHCP? Please provide copies of project-related correspondence with each agency.

**Response to Question BIO-14:**

SCE has not yet initiated the PSE application process, for the same reasoning explained in the response to question Bio-13. SCE has had meetings with the administrators of the WRMSHCP and CVMSHCP; the Western Riverside Regional Conservation Authority and the Coachella Valley Conservation Commission, respectively, to inform them of the upcoming proposed project.

Attached are the presentations provided to these agencies for your reference.
