Information is available on the project website at:

<http://www.cpuc.ca.gov/environment/info/dudek/CNF/CNF.htm>

The Forest Service action is subject to comment pursuant to 36 CFR 218, Subparts A and B. Only those who submit timely project-specific written comments during a public comment period are eligible to file an objection as part of the Forest Service project-level predecisional review process. Individuals or representatives of an entity submitting comments must sign the comments or verify identity upon request.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your name, address, or other contact information that you provide, including your email address—will be placed in the project file and shall become part of the public record. Comments are also posted online as part of the public record. The CPUC and Forest Service cannot approve requests to withhold contact information from the public record. Anonymous comments will be accepted; however anonymous comments do not establish eligibility to participate in the Forest Service predecisional review process.

To ensure that comments will be considered, the CPUC/Forest Service must receive written comments on the DEIR/DEIS by the close of the public review period (November 4, 2014). Written comments on the Joint DEIR/DEIS can be submitted via:

U.S. Mail: Lisa Orsaba, California Public Utilities Commission/Will Metz, United States Forest Supervisor, Cleveland National Forest, c/o Dudek, 605 Third Street, Encinitas, California 92024.

Email: cnfmsup@dudek.com, with a subject line “SDG&E Master Permit – DEIR/DEIS Comments” using common formats such as .doc, .docx, .pdf, .rtf, or .txt.

Public Review Ends: November 4, 2014
