
PUBLIC UTILITIES COMMISSION505 VAN NESS AVENUE
SAN FRANCISCO, CA 94102-3298

May 4, 2009

State Clearinghouse
Attention: Mr. Scott Morgan, Senior Planner
1400 Tenth Street
Sacramento, CA 95814

Subject: Sacramento Natural Gas Storage (SNGS) Project (CPUC Application No 07-04-013)
SCH # 2007112089.

The California Public Utilities Commission requests that the Draft EIR for the above project be distributed by the Clearinghouse to the following additional agencies:

Department of Water Resources
Department of Conservation, Division of Oil, Gas and Geothermal Resources (DOGGR)
State Water Resource Control Board-Water Quality
Office of Emergency Services
Health Services

The Draft EIR was not originally distributed to these agencies by the Clearinghouse. We have included an additional five copies of the Draft EIR Executive Summary and CD for your use. If you have any questions, please call the undersigned at 415-703-2579

A handwritten signature in cursive script that reads "Michael E. Rosauer".

Michael Rosauer
Project Manager
