

Southern California Edison
A.09-09-022 – Alberhill PTC & CPCN

DATA REQUEST SET J W S - S C E - 0 3

To: Energy Division
Prepared by: Nicole Di Jerlando
Job Title: Major Construction Senior Project Manager
Received Date: 10/28/2019

Response Date: 11/4/2019

Question 02:

Provide side-by-side comparison (e.g, in a table), supplemented with text description, to contrast:

- a. Cost-benefit analysis Edison is performing in response to D.18-08-026 ordering paragraph 4; versus
- bv Cost effectiveness and locational net benefit analysis performed in response to the Distribution Investment and Deferral Process (DIDF).
- c. Include pros and cons of each approach.

Response to Question 02:

Southern California Edison (SCE) will be able to provide the requested information after November 29, 2019 and SCE's submission of Data Submittal 2. SCE's response to data item h, will provide a detailed overview of the cost benefit analysis that will then be able to be compared to the DIDF analysis as requested. Coordination between the Alberhill and DIDF project teams is ongoing.
