Question Q.11:

Waste Management

Provide the estimated quantity of solid waste that would be generated by the proposed project to be disposed of at approved landfills. Clarify if the off-site disposal facilities listed in Table 3-10 would be used for all proposed project construction activities.

Response to Question Q.11:

The disposal facilities in Table 3-10 would likely be used for waste being disposed for the project. See attached Project Solid Waste Table for specific quantities.
