- b) Date(s) of the meeting(s);
- c) List of meeting attendees;
- d) Meeting agenda;
- e) Summary of discussion topics;
- f) Presentation materials used during the meeting.
- g) Summary of SDG&E's understanding of the local jurisdiction's expressed issues or concerns.

SDG&E Response

In addition to the outreach outlined below, SDG&E reached out to the City of Vista on April 5, 2019 via email and offered to meet to discuss the project; SDG&E did not receive a response. SDG&E also sent emails to the City of Carlsbad on March 12th and April 5th offering to meet to brief the City on the project; Carlsbad declined to meet.

SDG&E also notes that on May 31st, 2019 SDG&E provided to CPUC Energy Division's Joyce Steingass copies of all data requests received from, and associated responses provided to, Mr. Robert Pack, a party to this proceeding. Specifically, SDG&E notes that its April 24th, 2019 response to Mr. Pack's third data request includes copies of written communications with the five government agencies identified in section 1.7 of SDG&E's Proponent's Environmental Assessment; some of these communications include the offers to meet with the cities of Vista and Carlsbad described immediately above.
