

*Southern California Edison*  
**Lakeview A.10-09-016**

**DATA REQUEST SET Lakeview ED-01**

**To:** ENERGY DIVISION  
**Prepared by:** Justin Larson  
**Title:** Land Services Agent  
**Dated:** 01/03/2011

---

**Question 01:**

Please provide the complete Assessor Parcel Number (APN) list for those parcels that would be crossed by the source lines.

**Response to Question 01:**

The following list includes all parcels that may be affected by the proposed Lakeview Substation Project source lines and substation site. This list is based on preliminary engineering data and is subject to change pursuant to final engineering and/or changes in the final Commission-ordered site and routes. These APNs are all within Riverside County.
