RE: Response to Deficiency Report for LS Power Grid California, LLC's Power Santa Clara Valley Project
(Application 24-04-017)

Dear Ms. Wright:

As requested by the California Public Utilities Commission (CPUC), LS Power Grid California, LLC (LS Power) has collected and provided the additional information required to deem the application for Certificate of Public Convenience and Necessity (CPCN) for the Power Santa Clara Valley Project (Proposed Project) as complete. This letter includes the following enclosures:

- Deficiency Response Table providing the additional information requested in the Deficiency Report.
 - Attachment A – PM2.5 Dispersion Modeling Files
 - Attachment B – Updated PEA Table 5.5-2
 - Attachment C – Cultural Resources Site Specific Impact Analysis (CONFIDENTIAL – *file download transmittal*)
 - Attachment D – Proposed Project Archaeologist Contact Information (CONFIDENTIAL – *file download transmittal*)
 - Attachment E – Copies of Correspondence with Native American Tribes (CONFIDENTIAL – *file download transmittal*)
 - Attachment F – List of Transit Stops Potentially Affected
 - Attachment G – Updated PEA References
 - Attachment H – PEA Electronic References (*file download transmittal due to file size*)

Please contact me at (925) 808-0291 or djoseph@lspower.com with any questions regarding this information.

Sincerely,

A handwritten signature in black ink that reads "Dustin Joseph".

Dustin Joseph
Director of Environmental Permitting
