Dear Jensen Uchida,

Please, help us! Our family has ^{been} farming in the central valley for 3 generations, and each year we are proud to say that we contribute to feeding the world. However, Mr. Uchida, our way of life and the way in which we ~~work~~ make a living would greatly be impacted by the power line routes 1, 2, and 6.

Route 3 remains the best alternative for everyone and for many reasons.

Please do not use route 1, 2, and 6.

AND

Yes, for Route 3

Sincerely,

The DeLeonardis Family
